LB 208

SPEAKER MARVEL: Well I think this is

SENATOR DeCAMP: I listened to the conversation.....

SPEAKER MARVEL: I think this is true. He does have an amendment and perhaps it might be best if we passed over this until he got here. He stays out at the Senate Inn and he may have difficulty getting in.

SENATOR DeCAMP: Okay. All I am saying is if it is already taken care of I see no reason to introduce the bill. I didn't get in on all the conversation so I don't know what is going on.

SPEAKER MARVEL: Mr. President, I think maybe we ought to pass over it until Senator Duis does get here.

PRESIDENT: If there is no objection, the Speaker's order is changed to at least pass it over until he gets here so we will proceed then with Request #844, Miscellaneous Subjects Committee, and the chairman is not here. Who is the...? Who would like to present this for the Miscellaneous Committee? The chairman and the vice chairman are not present. The Chair recognizes Speaker Marvel.

SPEAKER MARVEL: I think it is necessary to do the same thing with this. This is about the third time we have passed over this and I think we ought to make a decision as soon as the chairman or the vice chairman get here. If they do not want to have it considered then we just ought to take it off the agenda. Senator Duis is now here, Mr. President.

PRESIDENT: All right.

SPEAKER MARVEL: With your permission maybe he can clarify Request #815.

PRESIDENT: The Chair recognizes Senator Duis.

SENATOR DUIS: Your Request 815, I think is an identical situation that I have already had an amendment drawn for 208 and that amendment is to be presented to the Government Committee and 208 would be advanced with that amendment on it which would do exactly what your request is on the Administrative Rules and Regulations Committee. I did not know about this request being made. I am chairman of the committee but apparently the request was done and I was not counselled on it and I have had this amendment for some period of time but if you wish to introduce a bill
